

**Together
Everyone
Achieves
More**

District Governor John Doyle

Everyday Lions make a positive change in someone's life. I am proud to be a member of an organization that has such great compassion. My passion to serve is the reason I am a "Lion for Life." I am sure there are thousands of others that have the same sentiments. Lions Clubs International is an Organization that really cares for people and the communities in which they live both globally and locally. District 19 C has the distinction of committing itself to the Lions' motto "We Serve" without questioning.

The theme for the District in 2008-2009 is "Together We Serve a Greater Need" with emphasis on teamwork. Working as a team we can realize the International President's theme "Miracles through Service." Many dreams have become reality in this District because of the dedication, compassion and the passion to serve by the Lions and their Associates of this Class District. As your Governor I believe that we are all anxious to raise the bar a notch or two because of our abilities and desires to boast our humanitarian efforts.

I am thanking all of you in advance for all the great things you do in the spirit of Lionism. This will be another great year for District C, subsequently to Multiple District 19 and Lions Clubs International because as an elite team everyone will help in getting the ball across the "goal" line.
